

If you weren't at Camp Hermosa for the first ever Alumni Day on September 19, you missed the opportunity to connect with over 120 Hermosa alumni on what turned out to be a spectacular day, both in terms of the weather and the festivities put together by the brand new Alumni Launch Committee. The day included displays of pictures and videos from the 1920s up to 2009, tours of the nature cabin and trails, crafts and

games for the kids, visits to the tuck shop for the kids (and the kids at heart) and a barbeque buffet — capped off with a camp-style worship service and presentation of the proposed Alumni Purpose.:

- *To reconnect alumni with each other and with the camp*
- *To maintain a connection beyond the “camping years” in order to facilitate a life-long ministry*
- *To actively support camp through promotion & volunteerism*

If you're missing camp - or even if you've never left! - there are now more ways than ever to get involved in the ministry of Camp Hermosa!
