## DECEMBER 2009

### SEPTIC SYSTEM UPDATE

The camp is moving ahead with the installation of the new septic system. Work was progressing well this fall, thanks to the good weather in November. Construction is being undertaken by local companies Make Way Technologies for expertise and materials and Lloyd Collins Construction for installation. Thanks to Keith Clutton, Peter Kelly and Greg Judge for their assistance in making this happen. The target is to complete the project in April. We are looking forward to having the new system operational for the 2010 camping season.
